

A man in a dark suit and white shirt is depicted from the waist up. He is wearing a full set of medieval-style armor, including a helmet with a visor and gauntlets. He holds a long, straight sword vertically in his right hand, which is clad in a gauntlet. In his left hand, he holds a large, orange folder. The background is a blurred cityscape with tall buildings under a blue sky with some clouds.

PAYMENT

Law firm «S. Verenin's legal group» offers flexible billing system such as hourly rate, fixed/cap sum fee, success fee or combined fees. We also work on voluntarily and without payment with socially disadvantage groups with low income.

The most common way that lawyers charge their Principals (clients) is through hourly billing. Hourly billing is used for just about every situation except for routine tasks. Fixed or flat fee for a particular matter or series of matters paid in regular installments at the beginning of each month of the engagement.

The amount an attorney charges per hour is determined by several factors. These factors include the experience of the lawyer, the complexity of your case, and the average hourly rate in the community.

The participation of our lawyers in criminal case and court litigations connected with economic issues (malfeasance in office, fraud, and “white collar crimes”) is generally billed at an hourly rate.

Depending on a lawyer's experience and location of the court litigation, an hourly rate can vary. The participation of our lawyers in the arbitration process or in the economic proceedings may be subject to a fixed payment and (or) a success fee.

The participation of our lawyers in other cases like M&A, property operations, and etc. the service is generally billed at an hourly rate, but you can pay for services a fixed fee.

Regarding the legal examination of the 'Conditions of Contract' to confirm that the conditions proposed are consistent with the laws of Republic of Uzbekistan including the written report presentation is generally billed at an hourly rate.

The fee is exclusive of VAT (not payable in the country for attorney service) and expenses incurred in connection with the provision of legal services (e.g. court duties, fees, administrative and notary fees, telephone and fax charges, expenses of travel requested by the client, postal and courier services).
