**Need a prenuptial agreement
or assistance in the divorce suit?**

Our lawyers will help you.

**Be aware that conclusion
of a prenuptial agreement
is secured by the LAW according
to the Family Code RUz:**

Article 29. Prenuptial agreement

A prenuptial agreement is the agreement between persons entering into a marriage, or agreement between spouses, defining proprietary rights and responsibilities of spouses in marriage and (or) in case of marriage dissolution.

Article 36. Contractual relations between the spouses

Spouses have the right to enter into all kinds of property and contractual relations permitted by the law.

Agreements between spouses aimed at restricting the rights of either of spouses are deemed invalid.

Article 37. Basis for marriage termination

Marriage discontinues by death or declaration by the court of one of the spouses to be deceased.

Marriage may be discontinued through dissolution at request of one or both spouses, as well as at request of the trustee of a spouse recognized by the court as incapable.
